Physician Organizations that Oppose Senate's Patient Protection and Affordable Care Act

To date 43 state, county and national medical societies, representing nearly <u>one-half million physicians</u>, have stated their public opposition to the Senate healthcare overhaul bill, the Patient Protection and Affordable Care Act (H.R. 3590). It is time for Congress to slow down, take a step back, and change the direction of current reform efforts to ensure that it is done right!
