

Neurosurgical Research Grant Opportunities

Advancing Neurosurgery through Research

The Neurosurgery Research and Education Foundation (NREF) presents:

■ Research Fellowship

(One-year \$40,000)

The NREF Research Fellowship provides training for neurosurgeons who are preparing for academic careers as clinician investigators. Applicants must be physicians who have been accepted into, or who are in, approved residency training programs in neurological surgery in North America.

■ Young Clinician Investigator Award (One-year \$40,000)

The Young Clinician Investigator Award supports junior faculty who are pursuing careers as clinical investigators. Applicants must be neurosurgeons who are full-time faculty in North American teaching institutions and in the early years of their careers.

The Foundation encourages grant applications in all areas of basic, translational, and patient-oriented clinical neuroscience research which may include, but are not limited to, areas such as:

- Aneurysms
- Brain Tumors
- Head/Spinal Cord Injury
- Skull-base
- Biomaterials
- Cerebrovascular
- Pain Management
- Spinal Biomechanics
- Birth Defects
- Epilepsy
- Parkinson's Disease
- Spinal Cord Disorders
- Bone Regeneration
- Hydrocephalus
- Pediatrics
- Trauma

Co-Sponsored Grants

The NREF is proud to offer co-sponsored research grants including, but not limited to, the following:

- NREF/American Academy of Neurological Surgery (AANNS) Research Grant
- NREF-AANS/CNS Cerebrovascular Section Research Grant
- NREF-AANS/CNS Pediatric Section Research Fellowship
- NREF/Spine & Peripheral Nerves Section Research Grant
- NREF/AANS Pinnacle Partners in Neurosurgery Research Grant
- NREF/Section on Tumors Research Fellowship
- NREF/Whelan Neuro-Oncology Research Grant
- Various corporate supported grants

For more information, an application or to view previous awardees, visit our website at www.AANS.org and select "Grants and Fellowships" or contact the AANS Development department at (847) 378-0500.
