BYLAWS OF THE AMERICAN ASSOCIATION OF NEUROLOGICAL SURGEONS

FOREWORD

The Harvey Cushing Society was founded in 1931 and became incorporated on June 6, 1956. The Bylaws for conducting the Society’s business were adopted at the meeting of the Society in April of 1960. The first revision to the Bylaws was made in 1963. The organization has been restructured, broadening its concept to represent neurosurgery both nationally and internationally. There have been changes in the name of the organization, in composition of the Board of Directors and in other areas including membership classifications and committee structure. These have required extensive changes in the Bylaws over the years.

In July of 2003, the membership approved a change in the organization’s structure. As an entity whose primary purpose is education and research, the AANS originally received a tax exemption from federal income taxation under Section 501(c)(3) of the Internal Revenue Code. 501(c)(3) entities have certain limitations on their activities, such as a limit on lobbying and attempts to influence legislation. Due to the increasing number of political and legislative issues affecting the AANS’ membership, the Board recommended, and members approved, the establishment of a companion entity, structured as a trade association under Section 501(c)(6) of the Internal Revenue Code. While many of AANS’ activities and functions remain under the 501(c)(3), the new entity serves as the umbrella organization, coordinating political activities and sponsoring major income generating programs.

In order to capitalize on the positive name recognition of AANS, the new 501(c)(6) entity assumed the name “American Association of Neurological Surgeons”, while the 501(c)(3) entity adopted the name “American Association of Neurosurgeons”.

The following pages present the most current version of the Bylaws of the American Association of Neurological Surgeons, and the Bylaws of the American Association of Neurosurgeons.

These charges shall be delivered to the Secretary or the AANS’s legal counsel, who shall forward a copy to the Professional Conduct Committee, which shall process the charges in accordance with such reasonable procedural guidelines as it may adopt.

The Board may, at its sole discretion or upon recommendation of the Chair of the Professional Conduct Committee, dismiss proffered charges at any time if the complainant violates the Procedural Guidelines or discipline a respondent for any improper ex parte communication in violation of the Procedural Guidelines. In addition, the Board may, at its sole discretion or upon recommendation of the Professional Conduct Committee, privately admonish either party for any violation of the Procedural Guidelines or other unprofessional conduct pertaining to the proffered charges that does not warrant disciplinary action as set forth herein. Such admonishment shall not constitute disciplinary action.

The Professional Conduct Committee shall call on the members who bring the charges for such information, witnesses, evidence, etc., as may be necessary to determine whether a hearing on the charges is warranted, and shall give the respondent an opportunity to respond in writing before such a decision is made. No disciplinary action shall be taken or recommended against any member without giving the member the opportunity for a hearing. The respondent may conduct a self-defense or shall be entitled to select counsel, and shall be allowed to secure, at his or her own expense, through the use of a certified court reporter, a transcript of the hearing of his or her case by the Professional Conduct Committee. The respondent may waive participation in the hearing. If the respondent has not indicated in writing his/her intent to be present personally or by representative by thirty (30) days before the scheduled hearing, he/she shall be deemed to have waived respondent’s right to be present, and the hearing shall proceed as though the respondent were present. The hearing shall be closed to all except members of the Committee, complainant, respondent, witnesses, counsels, and the court reporter. The Committee also may arrange for a special neurosurgical consultant to be present at the hearing and to assist the Committee in deliberation, but will not have the right to vote. Any three members of the Professional Conduct Committee shall constitute a quorum for purposes of conducting a meeting.

After reviewing the material submitted by both the complainant and the respondent, and conducting any hearing which is warranted or required by its Procedural Guidelines or these Bylaws, the Professional Conduct Committee shall recommend to the Board of Directors:

A. That the charges are not sustained, and that no further action be taken; or

B. That the charges are sustained and that the accused be:
   1. Censured;
   2. Suspended; or
   3. Expelled.

The respondent and any complainant whose proffered charges have been recommended for dismissal for violation of the Procedural Guidelines or who is responsible for demand hearing costs shall be notified in writing, of the date of the meeting in which the recommendations of the Professional Conduct Committee will be made. At that meeting such Member shall be given an opportunity to make any statement he/she desires before action is taken on the recommendations of the Professional Conduct Committee by the Board of Directors. The Chair of the Professional Conduct Committee shall also make a statement and explain and define findings of the Committee, but there shall be no examination of witnesses or introduction of further evidence before the Board of Directors.

At the conclusion of the hearing the Board of Directors shall, by secret ballot, determine what action it will take on the recommendations of the Professional Conduct Committee. Censure or suspension shall require an affirmative vote of at least two-thirds (2/3) of the voting Directors present. Expulsion shall require an affirmative vote of at least three-fourths (3/4) of the voting Directors present. All other action shall require an affirmative majority vote of the voting Directors present.
Any Member of the AANS who may feel aggrieved by the action of the Board of Directors of the AANS by being censured, suspended, or expelled shall have the right to appeal to the Membership. Voting upon the appeal shall be by secret ballot to determine whether or not to sustain the action of the Board of Directors.

The respondent shall be given the opportunity to submit a written statement of appeal. The President of the AANS shall then be given the opportunity to submit a written response to explain and define the findings of the Board of Directors and of the Professional Conduct Committee. The statement of appeal and response shall be sent to the entire voting Membership not less than thirty (30) days prior to the next scheduled Annual Business Meeting. At such time, the General Membership also shall be provided access to an electronic ballot. Ballots must be cast not more than fifteen (15) days following the Annual Business Meeting. An affirmative vote of at least a majority of the voting Members casting ballots shall sustain the action of the Board of Directors. The decision of the General Membership voting on the appeal shall be final.

The petition shall state the proposed name of the Section or Joint Section, the discipline to be represented, proposed rules and regulations for the Section or Joint Section, and any other information which the petitioners believe will assist the Board of Directors in evaluating the petition. The Board of Directors, at its discretion, may grant or deny a petition for establishment of a Section of the AANS, or may grant a petition subject to such conditions as it deems appropriate. Joint Section establishment is also subject to approval of the other sponsoring organization.

C. Duties of Sections of the AANS. Each Section or Joint Section of the AANS shall limit its membership to voting Members of the AANS, or sponsoring organization, except that a Section or Joint Section may have as affiliate members persons who are not voting Members of the AANS. ARTICLE X— INDEMNIFICATION

The AANS shall indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the AANS) by reason of the fact that the person is or was a director, officer, employee, or agent of the AANS, or committee member of the AANS acting on behalf of the AANS, or who is or was serving at the request of the AANS as director, officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney’s fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by the person in accordance with such action, suit, or proceeding, if the person acted in good faith and in a manner which the person reasonably believed to be in, or not opposed to, the best interest of the AANS, and, with respect to any criminal action or proceeding, had no reasonable cause to believe said conduct was unlawful.

Any indemnification under the first paragraph of this Article X (unless ordered by a court) shall be made by the AANS only as authorized in the specific case, upon a determination that indemnification of the director, officer, committee member, employee, or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in the first paragraph of this Article XII. Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit, or proceeding, or (2) if such a quorum is not obtainable or, even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (3) by the members entitled to vote, if any.

Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the AANS in advance of the final disposition of such action, suit, or proceeding, as authorized by the Board of Directors in the specific case, upon receipt of an undertaking by or on behalf of the director, officer, committee member, employee, or agent to repay such amount, unless it shall ultimately be determined that the person is entitled to be indemnified by the AANS as authorized in this Article XII.

The indemnification provided by this Article XII shall not be deemed exclusive of any other rights, to which those seeking indemnification may be entitled under any bylaw, agreement, vote of members or disinterested directors or otherwise, both as to action in the person’s official capacity and as to action in another capacity while holding such office and shall continue as to a person who has ceased to be a director, officer, employee, or agent, and shall inure to the benefit of the heirs, executors, and administrators of such a person.
