The American Association of Neurological Surgeons (AANS) would like you to be part of the 2019 AANS Scientific Meeting taking place in San Diego, April 13-17, 2019. The theme of this year’s meeting is *The Science of Practice.* This is your chance to meet face-to-face with more than 3,100 neurosurgeons and healthcare professionals. Build new relationships and strengthen existing ones by making your plan to exhibit.

Your participation at the meeting offers an unequalled opportunity to showcase your products and services to neurosurgeons and other healthcare professionals.

Submit your application to reserve your exhibit space now.

Your exhibit fee includes:

- More than six hours of unopposed exhibit time;
- Five complimentary exhibitor registrations per 10’ x 10’ booth space;
- Two tickets to the AANS Opening Reception per 10’ x 10’ booth space (maximum of 10);
- Exhibit listing in the Meeting App;
- Listing on the 2019 AANS Annual Scientific Meeting website;
- Opportunity to rent pre- and post-show attendee mailing lists;
- Opportunity to book housing through the AANS Housing Bureau, which negotiates special rates for attendees and exhibitors;
- Access to shuttle busses;
- Access to educational sessions (non-ticketed events only); and
- Roving security.
GENERAL EXHIBIT INFORMATION

Exhibit Space Rates
10’ x 10’ Linear: $3,300
10’ x 10’ Corner: $3,500
Island: $37/square foot

to view the interactive online floor plan.

Eligibility to Exhibit
This exhibition is designed for the display and demonstration of products and services relating to the practice and advancement of the art and science of neurological surgery and the professional education of medical attendees at the 2019 AANS Annual Scientific Meeting.

Only companies exhibiting products and services related to the neurosciences will be permitted to exhibit. Any other company wishing to exhibit will be reviewed. The AANS reserves the right to decline or prohibit any exhibit or part thereof that, in its opinion, is not in keeping with the character and/or spirit of the 2019 AANS Annual Scientific Meeting.

Meeting Space and Educational Events
Any exhibitor planning on holding a meeting, event or function to take place in San Diego during the AANS Annual Scientific Meeting must secure approval from the AANS and must comply with AANS policies. Unapproved meetings will result in loss of priority points.

More than Six Hours of Unopposed Exhibit Time
More than six hours of unopposed exhibit time and more than 21 hours of total exhibit time are scheduled during the 2019 AANS Annual Scientific Meeting. Morning and afternoon beverage breaks and lunches are served to all medical attendees in the Exhibit Hall to increase traffic flow to the exhibitors.

Exhibitors will be allowed in the Exhibit Hall one hour before it opens and one hour after it closes.

*Dismantling or preparing to dismantle prior to the show closing will result in a $1,000 fine, loss of priority points and may result in a ban to exhibit.
RESERVE YOUR 2019 EXHIBIT SPACE NOW

Exhibit Contracts with 50% Deposit Are Due Aug. 31, 2018

To Start the Online Submission Process:
2. For returning users, enter your username and password. If you do not remember your password or you are a new user, please contact Kim Schrader at 847.378.0552 or kls@aans.org.
3. Once logged into www.myAANS.aans.org, access “My Meetings” from the top navigation.
4. Choose “Exhibitor Corner” from the left-side navigation.
5. Select “2019 AANS Annual Scientific Meeting” under future events.

Exhibit contracts received after Aug. 31, 2018 will be allocated space on a first-come basis. Not all applicants are guaranteed exhibit space.

The AANS database allows for one key contact per company to be listed as the Exhibitor Contact. This representative will receive all exhibit-specific communications from the AANS and AANS official vendors. The key contact will be able to access your exhibit account to submit applications or make changes to that record after submission.

Update the Key Exhibitor Contact
If the key contact information requires a revision or update, contact Kim Schrader via email at kls@aans.org with the following:
• Company name;
• Full key contact name;
• Key contact phone number;
• Key contact fax number; and
• Key contact email address.

Booth Payments
A deposit of at least 50 percent of the total booth cost must accompany the original submission of the Exhibit Contract. The application will not be processed and space will not be assigned without the required deposit. The balance of the remaining fee, if applicable, is due on or before Nov. 16, 2018. If full payment is not received by this date, the assigned space may be reassigned or sold and the deposit forfeited. If space is reserved after Nov. 16, full payment with contract submission is required to confirm. Exhibitors will not be allowed to occupy assigned space until all monies due to the Association are paid in full. Checks should be made payable to the: “American Association of Neurological Surgeons.”

Credit Card
The online contract submission process provides an area for credit card payments. Amounts over $10,000 must be paid by check, EFT or wire transfer. Please contact Stephen Kulin at sjk@aans.org for detailed information on an EFT or wire transfer.

Check
Mail payments to:
AANS
2370 Eagle Way
Chicago, IL 60678-1023

Make checks payable in U.S. dollars drawn on a U.S. bank, to the American Association of Neurological Surgeons, Inc. Allow 10 days for receipt and processing of checks sent to the above address. If you wish to overnight your payment to this address, use ONLY United States Postal Service Priority Mail. Other overnight services do not deliver to the above address.

Exhibitor opt-in for email communications with official contractors
To ensure compliance with unsolicited commercial email laws, exhibitors consent that they “opt-in” on email communications from the AANS and official contractors associated with the 2019 AANS Annual Scientific Meeting. Exhibitor agrees to indemnify, defend and hold harmless the AANS and official contractors for any and all violations of this provision.
Cancellation of Booth Space Contract
Requests for cancellation of exhibit space must be made in writing. Fax or email is accepted. No refunds will be allowed for space left unoccupied during the 2019 AANS Annual Scientific Meeting. Refunds will be made in accordance with the following schedule:

• Received by the AANS prior to Aug. 27, 2018: full refund (less $200 processing fee)
• Received by the AANS from Aug. 27, 2018, until Nov. 16, 2018: forfeit 50 percent of total booth cost
• Received by the AANS on or after Nov. 16, 2018: forfeit 100 percent of total booth cost

Space Reductions
Requests for reductions in exhibit space must be made in writing. Fax or email is accepted. Refunds for the originally contracted space will be made in accordance with the following schedule:

• Received by the AANS prior to Aug. 27, 2018: full refund (less $200 processing fee)
• Received by the AANS from Aug. 27, 2018, until Nov. 16, 2018: forfeit 50 percent of total booth cost
• Received by the AANS on or after Nov. 16, 2018: forfeit 100 percent of total booth cost

Space assignment of a smaller booth will be processed as a new booth purchase and will be handled separately from the reduction schedule above.

2019 EXHIBIT ADVISORY COUNCIL
The Exhibit Advisory Council (EAC) promotes the involvement and support of exhibiting companies by facilitating communication with the AANS. The EAC advises the AANS on the conduct and policies of the exposition. Exhibitors are encouraged to communicate their perspectives, suggestions and concerns to the AANS and council members.

IMPORTANT DATES

April 28, 2018
• Housing block reservations open online. The housing link is available at www.aans.org/Exhibit in the left-hand menu.
• Application for exhibit space can be submitted via www.myaans.aans.org.

Aug. 31, 2018
Priority Exhibit Contract Deadline
• Exhibit contracts received after Aug. 31, 2018, will be allocated space on a first-come basis. Not all applicants are guaranteed exhibit space.

Oct. 25, 2018
Commercial Support Applications Due (First Right of Refusal)
• Supporters of an activity in 2018 are given first right of refusal of that item until Oct. 19, 2018. On Oct. 20, 2018, all non-committed items will return to inventory.

Nov. 7, 2018
• Booth confirmations will be emailed to the key contact.
• Housing block reservations are due.
• Function Space Request Forms are available at www.aans.org/Exhibit in the left-hand menu.
• Registration Brochure available online at www.aans.org/AANS2019.

Nov. 16, 2018
• Final booth payment is due.

Jan. 7, 2019
• Function space requests are due. Late requests will be accepted and assigned if space is available. Fees may be assessed by the hotel. Function space is not available at the San Diego Convention Center (SDCC). Expo Suites on the exhibit floor are available for rent. The Expo Suite rental form will be in the Service Kit.

Jan. 11, 2019
• Company description (maximum of 50 words) must be submitted to the Exhibits Manager at kls@aans.org. All descriptions submitted after this date may not be listed.
• An email will be sent with a link to the Service Kit to the key contact for the company and posted online at www.aans.org/Exhibit.
• Advance badge registration will open online. Each exhibiting company’s main contact will receive an email with details on how to register booth personnel. The registration link will also be available at www.aans.org/Exhibit.

March 1, 2019
• Island booth drawings must be submitted to Show Management no later than this date. Submit your drawings to the Exhibits Manager at kls@aans.org.
• Exhibit Appointed Contractor form and Certificate of Insurance are due.
• Advance badge registration is due. Submit online via the registration website link emailed to the key contact.
PRIORITY POINTS

Exhibit space is assigned in the order of existing priority points during the presale appointments held during the 2018 AANS Annual Scientific Meeting and through Aug. 31, 2018. After Aug. 31, 2018, exhibitors will be assigned space based on when the contract and payment is received.

The following five components are factored into an AANS exhibitor’s priority points:

1. **Attendance**: For each year that a company has exhibited, they receive one priority point.
2. **Booth Size**: An exhibitor receives one priority point for each 10’ x 10’ booth occupied.
3. **Consecutive Years**: An exhibitor receives one priority point on the fifth year for each consecutive five-year span of participation at the AANS Annual Scientific Meeting.
4. **Advertising**: Advertisement in the print Quick Planner, website, meeting app and onsite advertising opportunities earn priority points.
5. **Housing**: Two priority points are awarded for booking hotels through the AANS Housing Bureau, onPeak, on or before Aug. 31, 2018.

**Reduction of Priority Points**

Violations of rules and regulations will result in loss of points.

- **First Violation**: Loss of current year’s priority points
- **Second Violation**: Loss of one-half of accrued priority points
- **Third Violation**: Loss of remainder of priority points
- **Fourth Violation**: One-year suspension of exhibit privileges

Points will be deducted for infractions of rules and regulations, such as:

- Distribution of advertising materials outside of your exhibit space;
- Noncompliance with booth construction guidelines;
- Booth not set-up on time according to the rules;
- Dismantling or packing before show closes;
- Holding a social activity that conflicts with AANS events;
- Unethical conduct during meeting;
- Taking pictures of or recording other booths without permission; or
- Booking hotels outside of the AANS Housing Block.

The AANS reserves the right to deduct any or all points for serious infractions and to restrict and/or dismiss at any time any exhibit that it deems undesirable.
The AANS follows the International Association of Exhibitions and Events (IAEE) guidelines for display rules and regulations. For details, please visit www.iaee.com.

All booths are 10’ x 10’ or multiples thereof. Non-island booths will be equipped with an 8 ft.-high back drape and 3-foot side rail. Non-island booths will be provided with a 7” x 44” identification sign displaying the exhibitor’s name and booth number. All exhibitors are required to provide floor covering for their booth space. You may order carpet from the service contractor or place your own carpet.

Every booth must be constructed or arranged in such a manner as to be able to accommodate its viewing audience inside the booth in order to discourage the formation of a standing crowd in the aisles. Demonstration areas may not be set on the aisle line of the exhibit. All exhibits must be confined to the limits of their respective booth(s) as indicated on the floor plan, and all equipment, products or materials to be shown or demonstrated must be placed within the exhibitor’s contracted exhibit space in order to ensure that the attendees viewing the exhibit will stand within the said space and not in the aisles. All exposed parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors or the AANS object to any exposed portions of a display, the exposed portions will be draped by the AANS and billed to the exhibitor. All tables used in an exhibit space must be skirted.

Linear and Corner Booths
Linear and corner booths must not exceed 8 feet in height. The 8-foot height limit is allowed in the rear half of the booth space, with a 4-foot height restriction imposed on all materials in the remaining space forward to the aisle.

Island Booths
An island booth is an open area of exhibit space with aisles on all four sides that must provide accessibility from all four sides. Island booths may occupy 100 percent of the rental space, but must maintain a 50 percent see-through/walk-through effect.

All island booths must submit their booth layout for approval by the AANS. If the design is not submitted and the construction is determined to be in violation of the above restrictions, the AANS has the right to prohibit assembly of the booth or to order disassembly when and if a violation becomes apparent. The exhibitor must secure the necessary safety certificate and local fire and building code approvals for two-story booths. The maximum height for the top of any banner or component is 24 feet.

Multi-level Exhibits and Enclosed Booths
A multi-level exhibit is an island exhibit booth with a second level. All requirements for island exhibit booths apply to multi-level exhibit booths. Detailed plan of multiple-story or enclosed booths must be submitted at least 60 days prior to move-in. Multi-level booths will be assessed a $22/square foot rate for the second floor’s dimensions. Please contact Kim Schrader at kls@aans.org for more information on multi-level exhibit space.
RULES AND REGULATIONS

Interpretation of Rules
The following Rules and Regulations are part of the contract between the exhibitor and the AANS (“the Association”). All matters not covered in these Rules and Regulations shall be referred to the Association for adjudication, and the decision of the Association shall be final.

These Rules and Regulations may be amended at any time by the Association and all the amendments so made shall be binding upon the exhibitor equally with these Rules and Regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments.

Americans With Disabilities Act
Exhibiting companies are required to be in compliance with the Americans with Disabilities Act (ADA) within its booth and assigned space. Information regarding ADA compliance is available from the U.S. Department of Justice.

Ancillary Function Space
If you require meeting room space for company sales meetings or other Association-approved activity, you are required to complete the ancillary function space form, and return it to the AANS Meeting Services Department by Jan. 7, 2019. Space will be assigned on a first-come, first-served basis upon submission of the proper forms. Fees may apply. Ancillary space is not available at the convention center. Ancillary space is available only at the venues and hotels where the AANS has contracted space. Direct all questions to Sue Christiansen at scc@aans.org or 847.378.0536.

No entertainment functions, meetings, satellite symposia or social functions may be scheduled to conflict with 2019 AANS Annual Scientific Meeting program hours.

Audiovisual Equipment
Open sound systems will be permitted if a closed sound system cannot be arranged. Sound “leakage” must not interfere with other exhibitors. Show management reserves the right to request a reduction in volume or cessation of any “leakage” that creates sound interference.

Booth Conduct
The Association reserves the right to approve all exhibits and activities related thereto. The Association may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of the Association or the 2019 AANS Annual Scientific Meeting, or if it exceeds the bounds of good taste as interpreted by Show Management. An exhibitor of a questionable exhibit or activity relating thereto must submit a description of the exhibit or activity with the Exhibit Contract for Association approval. Inspection of the Exhibit Hall will be made during installation hours. Every effort will be made to notify exhibitors of any deviation from exhibit rules at that time. Exhibitors must make all corrections requested by show management at their own expense or risk removal from the exhibition without notice and without obligation on the part of the Association for any refund whatsoever.

The Association reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of the 2019 AANS Annual Scientific Meeting. Exhibit personnel may NOT enter another exhibitor’s booth without obtaining permission. Lingering in the aisles surrounding another exhibitor’s booth for the purpose of obtaining product information or distracting other booth personnel is strictly prohibited.

The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display during the 2018 AANS Annual Scientific Meeting.
Booth Storage and Crates
The Convention Center does not provide for storage of crates or freight of any kind. Exhibitors must make arrangements with the General Service Contractor for storage of crates and other packing materials. Combustible materials such as brochures, literature, give-aways, etc., within exhibit booths are limited to a one-day supply. Nothing may be stored behind booths. All packing containers, wrapping materials, carrying cases, etc., must be stored off the exhibit floor. The Fire Marshall inspects to ensure compliance.

Cadavers or Live Tissue
No procedures may be performed on any live tissue or cadavers in an exhibit booth.

Children
Children under 18 years of age are not permitted to enter the Exhibit Hall at any time during the meeting. This restriction includes installation, exhibition and dismantling hours. If children are present, they will be required to leave the hall immediately.

Combustibles
Literature on display shall be limited to reasonable quantities. Reserve supplies shall be kept in closed containers and stored in a neat, compact manner. No cardboard boxes or any combustible materials may be stored on top of or near any electrical wiring in the spaces behind the back wall drapery (booth) or behind any display.

Compressed or Cylinder Gases
Exhibitors are not permitted to bring in any type of cylinder gas. Safety Regulations require all cylinder gases to be purchased and managed through Freeman. Labor rates will apply for all orders.

Contests and Drawings
Any contest or drawing must be approved by the Association. Approved contests or drawings must comply with all local, state and federal laws governing such contests or drawings. The rules must be posted at the booth and must include: eligibility, date and time of the drawing, the words “no purchase necessary to enter,” odds of winning, how winners are notified and how participants can find out who has won. The exhibitor must agree to indemnify the Association, its Board of Directors, employees and vendors in the event of any claims arising from the operation of the event. The Association must be notified of the winners and when the prize was awarded. The Association reserves the right to restrict contests or drawings that it deems inappropriate or unprofessional.

Decorative Materials, Fire Retardant and Flame Retardant Treatment
All combustible materials used in exhibit construction must be treated with an effective, flame-retardant. Only non-combustible materials or fire-retardant wood may be used for exhibits, scenery or props. All curtains, drapes, carpet, carpet padding and decorative materials must be treated with a flame-retardant. The Convention Center rigorously enforces this regulation and may field flame test any questionable materials.
**Demonstrations**
Demonstrations may not interfere with normal traffic flow or infringe on neighboring exhibits. Demonstrations will not be permitted outside of an assigned booth space. Exhibitors should reserve a reasonable portion of space for crowds.

**Electrical Equipment**
The end user is responsible for compliance with all applicable federal, state and local codes/laws pertinent to the use of all services. The Convention Center reserves the right to inspect all devices and connections to ensure compliance with all codes and laws. All electrical equipment must be properly tagged and wired with complete information as to the type or current required for operation, voltage, phase, cycle, horsepower, etc. Exhibitors may use their own extension cords and power strips under the following conditions. The equipment must be 3 wire, 14 gauge minimum with a ground. The extension cords must be flat if they are to be laid under carpet. (Labor is required to lay the cords.) All power strips must have circuit protector. Freeman is responsible for the installation of all electrical distributions from the power source to the exhibit. Distribution is defined as all cable, connectors and hardware up to the first connection that follows the last branch circuit protection device.

**Exhibitor Sales**
**Lead Management Services**
The Registration Services Provider, CompuSystems, Inc. (“CSI”) has the exclusive right to distribute registration data for use in Exhibitor Sales Lead Management Services. Exhibitor may only purchase a license to use the registration data for such services for the event from CSI and from no other entity. If Exhibitor uses a Third Party Vendor for Exhibitor Sales Lead Management Services, Exhibitor and/or the Vendor will be required to purchase a license from CSI for the use of the registration data for this purpose. Exhibitor will transmit to CSI a request for data only when it results from a non-exhibitor sales prospect engaging the Exhibitor during the event. Neither the Exhibitor nor the Third Party will transmit to CSI a request for data that originates, directly or indirectly, from another entity.

**Facility Access**
The convention center requires that all Exhibitor-appointed Contractors and their workers wear both a convention center Access Credential and individual event credentials at all times. Workers without correct credentials will not be allowed to enter the facility. Workers must use only designated doors to enter or exit the facility.

**Facility Regulations**
Decorations and signage may not be taped, nailed or otherwise fastened to any permanent surface. Adhesive backed decals or stickers may not be distributed anywhere by anyone in the building. Confetti may not be used without prior approval in carpeted areas of the building. Cleaning fees will be assessed.

**FDA Compliance**
Any medical device exhibited must have fulfilled all applicable U.S. Food and Drug Administration (FDA) regulations. The Association will permit products that are not FDA-approved for a particular use in humans or are not commercially available in the U.S. to be displayed only when accompanied by appropriate signs that indicate the device’s FDA clearance status. The signs must be easily visible and placed near the device itself and on any graphics depicting the device. Unapproved devices with pending pre-market approval (PMA) applications or pre-market notification (510(k)) submissions should bear a label stating: “Pending 510(k)/PMA, not available for sale within the United States.” Unapproved devices without a pending 510(k) or PMA should bear a label stating: “Not available in the United States.” Products in the development stage should bear a label stating: “Work in progress.”
Fire and Safety Regulations
Exhibitors must observe all city, state and federal fire laws. Complete fire safety requirements will be included in the Exhibitor Service Kit.

Food/Beverage
Sale of food or beverage product is strictly prohibited. Food and/or beverages of any kind, including bottled water, cannot be dispensed without permission from the AANS Exhibits Manager and the convention center. For more information, contact Kim Schrader at kls@aans.org.

Giveaways
Promotional giveaway items must be limited to products that can be used during the meeting or in a professional capacity. A sample and giveaway form, to be included in the Service Kit, must be submitted for approval.

Hanging Signs or Banners
Hanging signs or banners are only available for island booths, and may not exceed the perimeter of assigned booth space. The suspended height limit for signs is 24 feet when measured from the floor up to the top of the sign. Structural Integrity Statement form must be completed with hanging sign order. More information will be available in the Service Kit.

Helium Balloons
Helium balloons may not be distributed or used within the convention center.

Hotel Promotional Items
The display of banners or other advertisements targeted at AANS attendees is prohibited on the interior or exterior grounds of all AANS official contracted hotels unless approved by the AANS. Noncompliance with this regulation will result in the loss of priority points by the exhibitor.

Independent Contractors
Exhibitors who plan to use a vendor other than the official vendors listed in the service kit must complete the EAC Form in the service kit on or before March 1, 2019. The company name, address, company telephone number and name of the supervisor and their cell phone number scheduled to be in attendance at the 2019 AANS Annual Scientific Meeting and a statement that such contractor will comply with all rules and regulations of the show, including observance of local labor rules and regulations, must be furnished at that time.

Independent contractors must abide by the following:
• Perform all services in a timely and professional manner, in accordance with the 2019 AANS Annual Scientific Meeting’s established deadlines;
• Not engage in solicitation of business on the exhibit floor for present or future conventions;
• Submit a Certificate of Insurance on or before March 1, 2019;
• Order decorator labor in advance from Freeman; and
• Register all employees and temporary help at the labor entrance.

Independent Exhibitor Meetings and Events
Except to hold entertainment or social functions, exhibitors must confine their activities to their allotted exhibit space. Entertainment and social functions must be in good taste and conform to the purpose of the meeting. The Association needs to be notified in writing of any special activities (whether entertainment, educational or promotional in nature) planned by an exhibiting company for the period beginning April 11-19, 2019. Association approval is required prior to implementation. Fees may apply.

Note: The Association prohibits the scheduling of hospitality events, whether they are scientific, technical or social, at times that conflict with the Association’s scientific program activities, opening reception and Exhibit Hall hours.
Announcements and invitations addressed to members of the medical profession concerning such industry-supported events should clearly indicate the name(s) of the supporter and must in no manner imply directly or indirectly that the event is a part of or an official activity of the Association.

**Lead Management Services**
The registration services provider, CompuSystems, Inc. ("CSI") has the exclusive right to distribute registration data for use in Exhibitor Sales Lead Management Services. Exhibitor may only purchase a license to use the registration data for such services for the event from CSI and from no other entity. If exhibitor uses a third party vendor for exhibitor sales lead management services, exhibitor and/or the vendor will be required to purchase a license from CSI for the use of the registration data for this purpose.

Exhibitor will transmit to CSI a request for data only when it results from a non-exhibitor sales prospect engaging the exhibitor during the event. Neither the exhibitor nor the third party will transmit to CSI a request for data that originates, directly or indirectly, from another entity.

**Lighting**
Exhibitor lighting must be limited to the confines of the booth space. Lighting that projects onto other exhibitor's space or Association aisles or otherwise detracts from the professional atmosphere of the event will not be allowed. Parcan lights may only be used if hung directly above your booth space. Lighting that spins, rotates, pulsates or other specialized effects must be submitted for approval to the AANS Exhibits Manager 60 days prior to the meeting. Approval will be granted on a case-by-case basis.

**Marketing Free Zone**
The AANS has created a marketing free zone around the vicinity of the San Diego Convention Center, San Diego Marriott Marquis & Marina, Hilton San Diego Bayfront and Manchester Grand Hyatt San Diego. Only with written AANS permission are exhibitors allowed to participate in all street marketing activities within this area which include, but are not limited to: street banners, segways, pedicabs, promo bikes, walking/mobile billboards, street teams, bench ads, decals or literature distribution.

**Music Licensing**
Exhibitors are responsible for maintaining compliance with the appropriate music-licensing organizations for all music played in conjunction with an exhibit.

**Photography and Videotaping**
Only the official meeting photographer may take photographs or videotape in the Exhibit Hall. This includes the use of cell phone cameras. Anyone who violates this rule will be removed and will incur the loss of priority points for the exhibiting company (responsible party).

**Pyrotechnics and Lasers**
Pyrotechnics and lasers are not allowed.

**Security**
The Association provides perimeter security of the exhibit hall, not individual booths, on a 24-hour basis beginning with the first day of move-in and continuing until the exhibit hall is vacated. The Association, Freeman and the SDCC will not be responsible for an exhibitor’s loss. Exhibitors are reminded that booth security and the protection of the exhibitor display items may require additional security at the exhibitor’s own expenses. A security order form will be in the service kit.

**Selling on the Floor**
Exhibitors who make sales or take orders for sales during the meeting are responsible for the collection and payment of the appropriate taxes to the city and state.

**Smoking**
Smoking is prohibited inside the convention center.

**Storage**
Crates, fiber cases and cardboard boxes may not be stored behind the drape.
EXHIBITOR REGISTRATION AND HOUSING

Exhibitor Badge Registration
Online Advance Badge Registration will be available to exhibiting companies in January 2019 at www.aans.org/Exhibit.

Badges must be ordered by March 6, 2019, in order to pre-register all company personnel. Personnel not registered by the March 6 deadline will incur surcharges. At least one representative must be present in the exhibitor’s booth during open exhibit hours. Each exhibiting company is entitled to five complimentary badges per 10’ x 10’ booth contracted, whether requested in advance or onsite. All badges required beyond the free allotment will cost $100 each before March 6. All badges requested on or after March 7, onsite or badge substitutions will cost $150 each.

Badge Distribution
Badges will be distributed onsite at the Exhibitor Registration Desk. Representatives without a badge will not be admitted to the Exhibit Hall under any circumstances. Representatives without badges will be required to exit the Exhibit Hall or meeting room immediately. Companies of such representatives will be subject to Priority Point penalization, and companies not represented on the exhibit floor may be banned from future participation of the meeting. Badges are personal and nontransferable and must be worn in the exhibit area at all times. Attaching unapproved cards, ribbons or other items to badges is not permitted.

Physician Attendance
Neurological surgeons must register as members of the specialty in order to be credited with attendance at the 2019 AANS Annual Scientific Meeting and to receive AMA/PRA Category 1 Credit™ for participating in the related scientific sessions. Neurosurgeons may register as representatives of exhibiting companies but will not receive CME credit or a certificate of attendance.

Opening Reception Tickets
For each 10’ x 10’ booth contracted, exhibitors will receive two complimentary tickets (up to maximum of 10 tickets) to the Opening Reception on Sunday evening, April 14, 2019. Additional tickets may be purchased on-site at the meeting. The dress code for the Opening Reception is business casual. High-heeled shoes are not advised.

Admission to Plenary and Scientific Sessions, Seminars and Clinics
Exhibitors may attend the Plenary, Scientific and Section Sessions free of charge once all attending doctors have been seated. Exhibitors may purchase tickets for Breakfast Seminars on-site if tickets are available. Exhibitors may NOT register for or attend Practical Clinics.

Housing
The Association has secured group housing on a citywide basis for the meeting. onPeak is the official housing provider for the 2019 AANS Annual Scientific Meeting.

It is a mandatory policy and part of the Association’s exhibit contract that all 2019 AANS Annual Scientific Meeting exhibitors book hotel rooms through onPeak. If rooms are not booked through onPeak, Priority Points will be deducted from an exhibitor. Subtracted priority points will be assessed on the following scale: one point for each guest’s name that is not subcontracted.
CONTRACTUAL INFORMATION

Insurance
The exhibitor acknowledges that none of the following: AANS, Freeman nor SDCC, shall be obligated to maintain property, liability or business interruption insurance covering the exhibitor. It is the sole responsibility of the exhibitor to obtain such insurance and the exhibitor must do so at his/her own expense.

Liability/Hold Harmless Agreement
Each exhibitor assumes full responsibility for and agrees to protect, defend, indemnify, save and hold forever harmless the AANS, Freeman, SDCC and their respective agents, employees, representatives, successors and assigns, from any and against all claims, demands, causes of action, damages, costs and expenses, including attorney’s fees, for injury to person or damage to property, including theft, misappropriation or loss of property asserted against either or all of them as a direct result of exhibitor’s negligence or willful misconduct, including but not limited to the installation, maintenance and removal of the exhibit, and from and against any penalty, damages or charges imposed for the violation of any law, ordinances or regulations arising out of or in connection with the exhibitor’s occupancy or use of SDCC and its exhibit hall, including but not limited to the installation, maintenance or removal of the exhibit, resulting from the negligent act or acts of its employee(s) or products. The exhibitor waives any and all claims it may have against any or all of the following: AANS, Freeman, SDCC and their respective agents, employees, representatives, successors and assigns for injury or damage to persons or property (including theft, misappropriation or loss of property) arising out of or in connection with the 2019 AANS Annual Scientific Meeting and the use of SDCC and its exhibition hall, except as may arise solely from the gross negligence of one of the foregoing parties. The exhibitor further waives any claim against the Association and its agents, employees, representatives, successors and assigns, arising out of the oral or written publication of any statement made in connection with the 2019 AANS Annual Scientific Meeting by anyone not an employee of the Association concerning the exhibitor or his/her exhibit. In the event that the SDCC or any portion thereof is destroyed or damaged by fire or other calamity so as to prevent the use of the premises for the purposes and during the period of the exhibit or in the event the Association, SDCC or Freeman cannot use or occupy the premises because of strikes, acts of God, war, terrorism, national emergency or other causes beyond their control, the exhibitor’s right to exhibit lease shall terminate and the exhibitor hereby waives any claim it may have against any of the foregoing parties by reason of such termination, except that if such event occurs prior to April 13, 2019, the opening day of the meeting, the Association shall refund the prepaid fee to the exhibitor.

Fire Marshal
Exhibitors and independent service contractors must comply with all federal, state and local fire and building codes that apply to public assembly facilities. An in-house, full-time Fire Marshal will be assigned to SDCC to insure compliance.
ADVERTISING OPPORTUNITIES

Increase Your Visibility and Support the 2019 AANS Annual Scientific Meeting

With more than 3,100 neurosurgical professionals attending, make the most of your time at the meeting. Additional signage, advertising and promotions through the AANS can boost your booth traffic, and hosting non-CME educational events provides additional opportunities to communicate your message.

Opportunities are limited and reserved on a first-come, first-served basis. Contact Kim Schrader, Exhibits Manager, at 847.378.0552 or kls@aans.org to learn more.

Suggestions for new and creative ideas that contribute to the quality of the meeting are welcome.

Non-CME Education

Lunch-and-learn Seminars
$20,000 for Sunday, April 14
$20,000 for Monday, April 15
$15,000 for Tuesday, April 16
This unique opportunity provides a forum for exhibitors to promote new products/services, present new research findings or conduct product demonstrations outside of their booths in an educational environment. Take advantage of this occasion to provide increased learning possibilities for attendees and gain additional face-to-face contact with potential buyers. The Lunch-and-learn Seminars will take place in the Learning Center.

Satellite Symposia
$12,500, plus expenses
The AANS is pleased to offer the ability to host an educational, research or marketing event, designed by you, with access to the pre-registration list for invitation purposes.

Surgical Suites
Call for Pricing.
This unique opportunity provides a forum for 2019 AANS Annual Scientific Meeting exhibitors to hold hands-on workshops or demos during the meeting on the exhibit floor in a private setting. Take advantage of being able to put your product in the hands of neurosurgeons from around the world.

Lab technicians will pre-set lab stations and set up tables with all materials needed as well as assist with all technical facets during the event, including instrument cleaning, equipment adjustments and tissue/specimen service.

Eye-catching Marketing Opportunities

Badge Lanyards
$18,000, plus expenses
See every attendee wearing your company’s name and logo. Supplied to each registrant upon check-in, these lanyards deliver highly visible, eye-level brand recognition. With your logo on the lanyard, attendees will wear your company name for the duration of the meeting, ensuring maximum visibility. (Lanyards will be ordered by the AANS. A pre-production proof will be provided to the supporter 60 days prior to the meeting for logo approval.)

Beverage Breaks
$4,000 each (five available)
Promote your company by supporting a beverage break served in the AANS Exhibit Hall on Monday, Tuesday or Wednesday morning, or Monday or Tuesday afternoon.

Electronic Room Key Cards
$15,000 exclusive support, plus expenses
Customized hotel room keys are distributed to all professional attendees staying in the AANS headquarters hotel. Supporter will have the opportunity to personalize the key-card design, offering incredible exposure.
Supporter pays for production of keys. A preproduction proof is required 45 days prior to the meeting and is subject to approval from the AANS.

Email Stations
$7,500
Email kiosks let the attendees stay in touch with their offices or families.

Footprints
$30,000
Drive attendees right to your booth with floor clings. These high-impact clings provide a path from the main entrance to your booth, using the main cross aisle.

Expo Suites
$3,500–6,500
(10‘ x 10‘ or 10‘ x 20‘, other sizes available)
Expo Suites are available to companies that have exhibit space at the meeting. These private meeting rooms are located in the Exhibit Hall, and exhibitors are allowed to order furniture for their expo suite. Attendees will have access to the Expo Suites during Exhibit Hall hours only.

Meeting App
Call for Pricing.
A variety of advertising options will be available on the AANS App.

Quick Planner Ad Space
$5,000–15,000
The Quick Planner will be handed to each medical attendee during registration. The Quick Planner contains detailed itinerary, education track information, speaker listings, exhibitor map and social event listings for the entire meeting. The easy-to-use, handheld size allows attendees to reference the guide several times a day and actively use it to plan their itinerary.

Shuttle Bus Service
$45,000, plus expenses for bus wraps, headrest covers and programs on TV monitors. Shuttle buses will run all day, every day of the meeting, between the San Diego Convention Center and most hotels within the AANS’ housing block. Take the opportunity to brand the buses with your company or brand logo, substantially boosting awareness of your presence at the meeting that will be viewed by all attendees and throughout the city.

Women in Neurosurgery (WINS) Events
$1,000–5,000
WINS is committed to supporting the professional needs of their members.

Young Neurosurgeon Luncheon
$10,000
The future leaders of neurosurgery will gather for a luncheon program designed to discuss matters relevant to newly practicing neurosurgeons.
NREF SUPPORT OPPORTUNITIES

Pinnacle Partners Program
From scientific meetings and educational courses to communications vehicles and research fellowships, the Pinnacle Partners program offers the unique opportunity for a corporate supporter to demonstrate its sustained commitment to the success of the neurosciences while also increasing its recognition and exposure to the neurosurgical community. Various levels of Pinnacle Partners program support are available. For details about this program, and other support opportunities through the Neurosurgery Research & Education Foundation (NREF), please contact the NREF Development Department at 847.378.0500.

Neurosurgery Research and Education Foundation
The NREF is a not-for-profit, 501(c)(3) organization created in 1980 by the AANS to support research and education efforts that enhance and confirm the critical role neurosurgeons play in improving lives.

The NREF is dedicated to providing education to neurosurgeons at all stages of their careers, as well as funding research into new and existing neurosurgical treatments in order to identify links between best practices and improved outcomes in patient care. Through voluntary public donations, corporate support and donations from allied groups, the NREF supports endeavors that impact the lives of those suffering from epilepsy, stroke, brain tumors, spinal disorders, sports related head injuries, lower back pain and Parkinson’s disease. Donations to the NREF are deductible when computing income and estate taxes. If you would like additional information or have a question regarding NREF, contact the Development Department at 888.566.2267 or info@nref.org.

Your financial contributions will support the neurosurgical industry’s most prominent educational event of the year. The recognition your company receives will:

- **BUILD and REINFORCE** your company’s branding;
- **ENHANCE** your visibility beyond the Exhibit Hall with meeting-wide exposure;
- **PROMOTE** the latest scientific advancements and discoveries; and
- **DEMONSTRATE** your support for the neurosurgical community and commitment to education.

### Support Levels
