2021 AANS GOODMAN
Oral Board Preparation

May 4-6 Virtual

Save the Date
November 3-5

Visit www.aans.org/Goodman
for more information

The AANS Goodman Oral Board Preparation course is an innovative way to prepare for the American Board of Neurological Surgery (ABNS) Oral Exam. Learn the exam process with highly respected and knowledgeable faculty, receive custom feedback designed to help you succeed and practice with mock exams specific to your subspecialty.

TWO CONCURRENT SESSIONS

Plenary Hot Seat Sessions: The plenary sessions provide a simulated oral exam experience by covering more than 200 case scenarios. Participants in the “hot seat” illustrate how best to construct, organize and present responses to case scenarios.

One-on-one Sessions: The one-on-one breakout sessions consist of one participant paired with a faculty member. Experienced neurosurgeons critique patient management responses and the participant’s ability to organize answers to simulated questions.

The virtual event is the same format and schedule as the popular in-person course, including opportunities to network with fellow attendees. Prepare for the oral exam with the same high quality, interactive three-day course from your home or office.

Plenary Session topics include spine, endovascular, tumor, pediatrics, peripheral nerves, cerebrovascular, head trauma/ICU and general neurosurgery.

CME CREDIT

The AANS is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AANS designates this live activity for a maximum of 25.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
2021 AANS Goodman Oral Board Preparation

REGISTRATION FORM

Register at www.aans.org/Goodman to pay by credit card or fill out the form below to pay by check.

QUESTIONS?
Email the AANS Education Department at epm@aans.org.

Faculty members for this course are not currently involved in giving the ABNS Oral Exam, and the AANS has made no attempt to obtain questions from previous examinations.

AMERICANS WITH DISABILITIES ACT
The AANS wants to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

If you require any auxiliary aids or services identified in the Americans with Disabilities Act in order to attend this or any AANS program, contact the AANS Education Department at epm@aans.org.
