NEUROSURGERY FRONTIERS:
INNOVATION, COLLABORATION, TRANSFORMATION.

ABOUT THE AANS

Founded in 1931 as the Harvey Cushing Society, the AANS is the premier professional organization advancing the specialty of neurological surgery. With over 12,000 members worldwide, including neurosurgeons, residents, fellows, medical students and allied health professionals, the AANS leads the way in innovation, world-class education, groundbreaking research, advocacy and collaboration to elevate patient care and shape the future of the field.

Join us at the 2026 AANS Annual Scientific Meeting to connect with a global network of experts, explore cutting-edge advancements and be part of shaping the future of neurosurgery.

LETTER FROM THE CORPORATE RELATIONS CHAIR

Dear Corporate Partner,

We are delighted to invite you to participate in the highly anticipated 2026 AANS Annual Scientific Meeting, hosted by the American Association of Neurological Surgeons (AANS). This premier event will take place May 1–4, 2026 in the vibrant hub of San Antonio, Texas and will celebrate this year's theme, *Neurosurgery Frontiers: Innovation, Collaboration, Transformation*.

The 2026 AANS Annual Scientific Meeting offers unparalleled opportunities to connect with a diverse audience of over 3,000 neurosurgeons, residents, fellows, associates, allied health professionals and medical students. With a robust program featuring cutting-edge scientific sessions, hands-on workshops and keynote presentations by world-renowned experts, your organization will have the chance to showcase its latest advancements and solutions to decision-makers and innovators from institutions across the U.S. and around the globe.

The Exhibit Hall serves as the epicenter for engagement, where your contributions can create meaningful impacts. With dedicated exhibit hours, beverage breaks and networking events, you'll have prime opportunities to interact with attendees. The hall also attracts a significant number of residents and fellows, offering you the chance to build relationships with the next generation of neurosurgical leaders who will shape the future of the field.

To further amplify your impact, we offer a range of customized sponsorship and branding opportunities designed to spotlight your innovations and enhance your visibility. These packages are tailored to your strategic goals, ensuring your presence is felt throughout the event and reinforcing your role as a leader in neurosurgery.

Don't miss the opportunity to secure your booth space and position your organization as a vital player in the evolving world of neurosurgery. Exhibit spaces are in high demand and sell out quickly, so we encourage you to reserve early.

We look forward to welcoming you to San Antonio, where the energy and growing medical landscape provides the perfect backdrop for this impactful gathering. Your partnership is instrumental in driving the future of neurosurgical care and we are excited to collaborate with you to make the 2026 AANS Annual Scientific Meeting an extraordinary success.

Warm regards,

J Mocco, MD, FAANS
